A message from the Chairman

Welcome to the West Hampshire centres 2018 Rally Programme where we will be offering 60 rallies for you to have a comprehensive and varied programme. Our Rally Secretary, Mr Nick Blake, has worked tirelessly with rally officers and landowners to ensure we have an exciting programme for the upcoming season. This can be a difficult challenge, and one that Nick rises to with ease.

I am delighted to return as Chairman for my second year, after the baptism of my first year with a very successful celebration rally held in July 2017. I am looking forward to this seasons' programme, with the continued support from our enthusiastic team of committee, and their partners. I am very privileged to have a team with such a diverse range of skills and knowledge, always keen to drive the centre forward.

We are the envy of many centres for our website, offering a user friendly system to enable online booking, and at times payments, and this will continue to be the favoured method of booking rallies. It is also a great way to share information with ralliers to provide changes or social programmes.

Our Facebook page also continues to be a great way of sharing memories as well as keeping the family feel within the centre. This is continually managed by appointed persons, to ensure all appropriate behaviours are monitored.

West Hampshire are also admired by many centres for our family feel and focus on inclusion of children. We are very fortunate again to have a strong Youth Section, with Megan Roberts being elected as Youth Section Chairman.

I am confident that Megan and her team will continue to offer fun, tuck shop and activities, including their disco options to all members and the children of our centre. I would urge you all to support them, attend their rallies and encourage others too. I would like to personally thank these young people and their parents for their encouragement and support.

I am very grateful again to all rally officers who will run rallies and events throughout the year; they're all volunteers, and without their help we wouldn't have such a brilliant programme. Your dedication and commitment to the centre is what makes us FANTASTIC!

May I wish you all a very prosperous year; I hope you all have a great 2018. I look forward to seeing you all on the field having FUN and making MEMORIES.

Paul

Treasurer's Note

In my second year as treasurer I am really looking forward to continuing to build strong relationships with all of this years' Rally Officers. Having computerised the Treasurer reports, I am now looking forward to further refining them and making the rally returns as easy as possible to fill out electronically, so that more of you can confidently complete and return them online, as opposed to having to print and handwrite them all.

As always, please try to get your returns to me as quickly as you can, as this will make my job a lot easier.

Regarding the collection of funds – it is the Caravan Club ruling that all money, cheques or cash collected by the rally officer or other persons on behalf of the centre, must be banked in the centre bank account only, and the credit slip sent to me as soon as possible. Please, at the very least, notify me of your deposit, the deposit slip number and the rally that it is for.

All monies collected by the rally officers should be paid into the bank, except if the landowner can be paid in cash. Any refunds must be made by me, on the instruction of the committee. If a rally officer feels that a refund should be made for compassionate reasons, they must make a recommendation to the Committee.

Please do not hesitate to contact me if you need any help, support or advice and I look forward to seeing you all on the rally field soon.

Kind Regards

Jen

Rally Secretary's Note

A very warm welcome to the 2018 Rally Programme, where I trust you will find something to suit all tastes.

A big thank you to all the rally officers for all their help and co-operation which has contributed to a full and varied programme this year. We have a wide variety of locations, durations and themes that I hope you will enjoy.

Without the work provided by rally officers before, during and after a rally, we would not have the programme that is presented to you in this rally book. Do not forget that the rally officers give up their time to run a rally for you to enjoy so please support your Rally Officers by being courteous and thoughtful towards them (and other ralliers) at all times. This is our hobby that we all like to enjoy with our friends.

Remember always book Rallies early in order to give rally officers an indication of the numbers attending and the budget available, to plan events for your enjoyment. **Please remember to always advise them of a cancellation early.**

I am already planning the 2019 rally programme and will be talking to you and Rally Officers in the near future about a few ideas that I have for rallies at new locations. For those of you who haven't run rallies before come and talk to me, the experience can be very rewarding.

I hope you all have a fantastic rally season and I look forward to seeing you all at some time during the year.

Best Regards

Nick

Message from your Youth Section Chairman

Hello West Hampshire Caravan and Motorhome Club ralliers!

I'm Megan and I am Youth Section Chairperson. I am working with a great team this year and I hope you will get involved with everything we do, help us support our chosen charity and become acquainted with all the lovely people I get to work with. This is our team...

We are all so excited to start planning and organising our rallies and other events to make this year a success. With three rallies to run - Valentine's at Copythorne, Puzzles at Little Metlands and Family Sports at Oliver's Battery - we are going to be very busy preparing the activities and having fun! We all hope as many of you brilliant ralliers as possible will come along to enjoy yourselves with us, but if you can't come to our rallies, we're sure we'll see you elsewhere.

Youth Section has lots of things which it contributes to our centre, like Tuck Shop and it's YS disco service. In addition to this, we are raising money for the 4Louis charity which supports families who suffer the trauma of stillbirths and deaths of infants during the very first part of their lives. 4Louis provide memory boxes and other special equipments to these families to help them capture the precious moments they do get with their loved ones. We have collecting tins and will also be running a few small events to support this charity, which is very important to our centre. We are eager to get started!

We hope you have a fabulous year of rallying!!!

Description:

Ever fancied watching the F1 Grand Prix at Silverstone but hate the thought of travelling there in all the traffic and wished you could take your van and park nearby?

Well if you would like to be part of a group of like minded people and get together and go to Silverstone in our Caravans or motorhomes and watch F1 throughout the weekend then contact the rally officers below for details of how to book. Camping will be at Woodlands Campsite.

It's not a WHCC Rally as such and you will not pay the WHCC Admin fee or nightly fee, we all go separately and pay separately but we could get together during the weekend and have a communal BBQ, meet in the on-site bars and have a few beers before & after the racing together or you could just do your own thing! It really is up to you.

Don't leave it too late as places may be limited on the Woodlands Campsite.

Directions:

Silverstone is conveniently situated right in the heart of the UK, approximately 90 minutes north of central London and 60 minutes south of Birmingham. Road access is exceptionally easy along the A43 dual carriageway from either the M40 or M1.

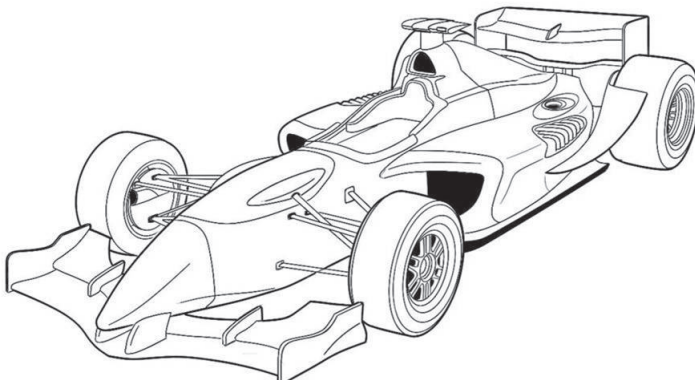

By public transport the nearest stations are Northampton, Banbury or Milton Keynes all of which offer fast connections to destinations throughout the country.

Henley Royal Regatta will be on this week, so you can either watch the boats going to the Regatta go by from your van or walk along to Henley and watch the racing and mix with the crowds.

There is shopping in either Henley or Marlow for the odd bit of retail therapy or for food shopping. All in all, well worth a visit.

We intend to have a 'Pimms' (Summer Fruit) party on Saturday so bring along your posh outfits and dress up for the Rally.

For security and access details, please ensure your slip shows your email details clearly as the information will be sent out by this method, or a SAE.

Although this is a five-night rally, you can come for as many nights as you wish.

Rallying Hints and Tips

Booking in for Rallies

The majority of rallies can now be booked online via <https://www.whampshirecc.co.uk>. Alternatively you can complete one of the rally slips from the centre of this book and send it to the named Rally Officer for the rally concerned at least **17 days before the Rally**.

When booking online you will receive an acknowledgement of your booking automatically. If you send a slip then an acknowledgement of booking is not normally sent unless a rally is full or has been cancelled. If you forward a stamped addressed envelope, most rally officers will be happy to acknowledge receipt. **Extra rally booking slips can be obtained from any Officer or Committee member.** Early booking is advised for Bank Holidays and Holiday Rallies. NB. Some rallies have narrow or difficult access or are otherwise unsuitable for large or heavy outfits. If you have any doubts or concerns, please ask the Rally Officer **before** booking.

Payment for the majority of rallies except holiday and special rallies, eg Christmas Party, is made on arrival. Payment can also be made online for some rallies. Ask the rally officer if they will accept online payment or not.

Cancellation If you find at the last minute that you can't attend a rally, please do everything possible to let the Rally Officers know by the Wednesday prior to the rally. **Where expense has been incurred on your behalf for social events/catering etc. which cannot be recovered or re-allocated, you will be responsible for reimbursing the Centre**

What to do after you have booked your rally and the weekend arrives. Follow the directions in the rally book. As you approach the rally site, you will see small RED directional signs with WHCC (or CWH) lettering on them in white to help you find the entrance.

Rally Officers arrange the weekend for you and you will meet them when you arrive on site. Once you have booked in, you will be handed an envelope containing the programme for the weekend, which often includes a competition. You will then be shown to your pitch.

The Rally Officers have given up their time to run the rally and will try to assist you if you experience any difficulty before or during the rally. Please be courteous and appreciative to them at all times.

The Centre Officers and Committee delegate responsibility for the organisation and running of the rally to the appointed Rally Officers. Please remember that they are volunteers who, as a token of appreciation to other ralliers, devote one or more

weekends to running a rally for your enjoyment.

Social functions and competitions may be included during the weekend and they are all family rallies and good fun. Please note that an additional fee may be charged for such activities. Participation is optional.

Flagpole: This is where you and your fellow ralliers gather to hear results of competitions, welcome visitors and new ralliers, hear announcements of forthcoming Rallies and thank the Rally Officers.

Disposal Points: The use of wastewater filters is not permitted on any rally and waste water must not be drained directly onto the rally field from your outfit. **Disposal points for Chemical Toilets and Wastewater will be clearly marked – do not wash out chemical toilets or waste tanks at the water point.** If you have the slightest doubt, please ask the Rally Officer.

Rubbish: Members are expected to take home all rubbish and it is not usual for the Centre to provide bags for this purpose.

Arrival Times at Rallies: Members must not impose on Rally Officers by arriving prior to the advertised starting time of the rally as this can contravene local or national regulations related to use of the site. Please do not arrive before 8am or after 10pm without prior agreement with the Rally Officers.

Speed on the Rally Field: The speed of all vehicles including pedal cycles **must not exceed walking pace. Please keep to roadways and centre lines at all times.** Members who consistently fail to observe this Speed Limit will be **asked to leave** the Rally Field and action will be taken against offending members

Rally officers are empowered to restrict the movement of vehicles on the rally field during bad weather. If the ground conditions are particularly severe, vehicle movement will only be allowed at the discretion of the rally officer. However, if the yellow flag is flying, then no vehicle movement will be allowed without the express permission of the rally officer.

Saving Pitches: The saving of pitches for friends is limited to a **maximum of two.**

Noise: Musical Instruments, radios, TV etc., must not be used to the inconvenience of other people on the site. Members are asked to be considerate to others after 23.00 hours by keeping noise to a minimum. Generators must only be used at the discretion of the rally officers.

Accommodation: A pitch is large enough to accommodate one caravan, one awning and one car.

Pets: Cats, Dogs etc., **must be on a lead** and under control on the rally field. The length of the **lead should not exceed 10 feet** from any point of the caravan. Pets should also be exercised off the rally field. **Under no circumstances** should they be allowed to foul the ground in the vicinity of the caravans. Please consider insuring your pet to cover yourself for any unfortunate incidents. Pets will NOT be permitted at any social event or kitchen facilities. This is to protect animals, occupants and equipment and we trust you will respect this decision.

Visitors: All visitors must report to the Rally Office and register with the Rally Officers on arrival. Visitors are politely requested to park as directed by rally officers.

Games in Caravan Lines: Members will appreciate the damage that can be caused when a Cycle, Ball, Frisbee or Kite etc. comes into contact with a car or caravan. **These games are not permitted in caravan lines.**

Complaints: If you have a legitimate complaint, which you have been unable to resolve mutually you should report it to the Rally Officers or a member of the Centre's Committee at the time, for action if felt necessary. The Caravan Club Rules Governing Centres Article 8 authorises the Centre Committee to deal with appropriate incidents. All Centre Officers and Committee display name plaques in the front window of their caravans, and invite you to discuss any caravanning issues with them.

Please note that the Committee cannot resolve trivial complaints such as personal disagreements, differences of opinion between individual members followed by arguments etc. However, if such irritations adversely impact upon the comfort and convenience of other members, the Centre Committee will consider taking action against the individuals concerned in order that they can resolve their issues without involving other Club members.

Tents, Awnings, Windbreaks and Canopies: Rally Officers, **must be consulted** before any tent is erected. Some sites we use do not allow tents. **SMALL** tents (sufficient to sleep two people) may be allowed. **A minimum space of 15 feet** must be left between outfits to allow for **emergency access**. Where an awning annexe is used it must not extend beyond the caravan and should be erected at the A-frame end.

Fire Buckets should be filled and placed in front of each van for emergency use. These are not meant to put out fires, just to aid in getting to safety. In the event of a fire evacuate the area and call the fire brigade.
