

Committee run activities during the weekend

Over the course of the weekend, in addition to the fantastic program put on by the rally officers, the committee will be running some fund-raising activities on behalf of Friends of PICU who support the patients and families of the Paediatric Intensive Care Unit (PICU) at Southampton University Hospital.

Friday

Friday evening will see live entertainment with a booze raffle thrown in for good measure.

(Tickets for the raffle will be on sale from Friday afternoon)

Saturday

Saturday will see the day begin with breakfast baps and tea and coffee to wash them down.

The afternoon will involve plenty of fun activities for everyone with cake stall, welly toss and more including a visit from a PICU ambulance.

Join us for a home-grown evening of fun as we kick off the evening with some fancy dress which will be followed with a charity raffle and auction, food and disco.

A full agenda will be available on the rally field, look forward to seeing you there and raising money for this fantastic charity.
