

**West Hampshire Centre**  
**Dornafield Caravan and Camping Park Holiday Rally**  
**Nr. Newton Abbott, Devon**  
**Wednesday 5<sup>th</sup> - Wednesday 12<sup>th</sup> May 2021**

Join us for our Spring Holiday Rally at this AA Five Pennant touring park, which is a CAMC Affiliated Site and a member of Best of British and Premier Parks.

The site is located in South Devon, inland from Torbay and is easily accessible from the M5 via the A380 to Torquay or from Plymouth via the A38. The site location gives easy access to an almost unlimited list of attraction in Torbay and the South Hams district including National Trust and English Heritage properties, picturesque costal villages, country parks and preserved steam railways to name but a few. The Dartmoor National Park is located a short distance north of the site and further afield is the historic city of Exeter and the naval city of Plymouth.

**Important** Dornafield normally only allocate pitches for group bookings during the months of March and October but we have managed to negotiate a special group discount for the full seven days of our proposed holiday rally providing that at least 10 pitches are booked for the full period of the rally.

Pitches not booked by the 28<sup>th</sup> February will be re-allocated to the site.

We have been allocated 20 all-weather gravel pitches in Black Rock Copse.

Each pitch has its own grassy area; natural Devon hedging and dry stonewalls.

On each pitch there is a stone-clad console housing individual drinking and waste water points, television and electric hook-up, and a chemical closet disposal point, refuse bin and low-level lighting.

There is also a well equipped laundry in the main block and a dishwashing and vegetable preparation building adjacent to our allocated pitches.

The toilet block close to our pitches, has climate control and a heated floor for comfort in all weathers. There are ample toilets, generous showers with separate dry areas, individual privacy cubicles and full disabled facilities. Dogs have their own enclosed off lead exercise area.

**Note: The Following detail are subject to any remaining pandemic restrictions at the time of the rally. An update will be sent to members booked nearer to the time.**

Dornafield has its' own licensed site shop offering a full selection of groceries, caravan accessories, Calor Gas, Camping Gaz and souvenirs.

A nearby family owned bakery delivers fresh bread daily – the croissants are a real treat!

The site always has local free-range eggs, milk and cream from the local dairy as well as morning papers. There is also a small games room available with table tennis, pool, darts and table football.

The site Information Room is crammed with ideas for days out, suggestions for good walks, dog-friendly beaches and the low-down on all the best local inns and restaurants. There are also features on local wildlife, up-dates on the nesting swallows and plenty to help you identify the flowers, insects and any other wild beasts you come across during your stay!

Subject to restrictions, we intend to arrange some activities and a visit during your stay. More details will be made available as plans for the event proceed and the current situation becomes clearer.

**Important If you would like to join use for the full week on this holiday rally, please complete and return a West Hampshire Rally Booking Slip together with a £12.00 deposit cheque payable to The Caravan Club Ltd. West Hampshire Centre. This should reach us as soon as possible but by 28<sup>th</sup> February at the very latest. Please include your email address which will be used to confirm receipt and also advise you of further details prior to the rally.**

**NB The deposit will be non-refundable unless the rally has to be cancelled for reasons beyond our control.**

**A cheque for the balance, post dated to 14<sup>th</sup> April 2021 may be sent at the same time to save you double postage.**

**Members requiring to stay for a shorter period must book directly with the site and cannot be guaranteed adjacent pitches to the rally. They will be charged the appropriate 2021 nightly site fee.**

The site-discounted fees are **£120.00** i.e £17.15 per night.

**+ Centre Admin and Rally Fee) for the full seven nights.**
