- We are using a new plaque supplier this year (5 valley signs) and we are very pleased with the quality of the plaques, however, we are looking at placing a current order form on the Web in the Rally Officers section.
- Our face book page was discussed, following requests from other center's/non-members to join, and the committee confirmed that it should remain a 'closed to membership only' facility – so **please remember to keep your West Hampshire membership up to date.**
- ROOF preparation and responsibilities were discussed in readiness for Sunday 15th January meeting.
- Phase 2 of our website implementation is training for some Committee members to enable changes and adjustments to be timely and to aid the development of our communications by up-loading current information.
