

WEST HAMPSHIRE CENTRE - FOCUS

Committee meeting held on 06 March 2024
via 'Teams platform'

- We had a very constructive meeting with 10 committee members attending.
- The minutes were approved for the meeting held on 06 February 2024.
- **Come and Join Us - There are still a few 2024 rallies that require rally officers (please contact our Rally Secretary or any other committee member if you are interested).**
- The treasure reported that the 2023 accounts have been submitted to the Auditors, to be prepared for the end of the financial year.
- Please note! Because of banking limitations, we are no longer accepting Cheques for West Hant's rallies. Please pay by BACS in advance.
- Ongoing activity and discussions regarding the West Hants 60th Anniversary at Little Metlands in August. This Rally is filling fast, so if you hope/intend to attend, you are advised to book ASAP, as other Centre's are now able to and are starting to book this event. **Over 70% full now.**
- There are 3 full days of varied entertainment planned and there will be some food available, Bacon Baps on Saturday and Sunday morning and Sausage and Chips in the evening which you can order and pay for on arrival (further details will follow nearer the time).
- February Newsletter has been circulated and the March Newsletter is in production, so please send the Editor (Emma) any articles for inclusion in this month's issue.
- Our face book page is continuously monitored – **please remember to keep your West Hampshire membership up to date.**
- The 2025 Rally program is taking shape, surveying new sites is ongoing, so we can bring some new venues on board for everybody to enjoy.
- Our Secretary, Treasurer and Social Media Manager (Emma) took part in regional workshops/forums, this month, to exchange ideas with other centres etc.
- Our brilliant "Youth Section" is to continue to raise money, this year, for their adopted charity, CICRA. They raised over £1700 last year! Their first 2024 rally is in April, **check it out**, they are always inspirational weekends.
